The Community Outreach Trailer is a much-used resource. In the event the application and **\$50 non-refundable usage fee** are not received by the two-week deadline noted above, the church forfeits the use of the Community Outreach Trailer on the requested date(s) and other churches on the waiting list will be notified of the Community Outreach Trailer’s availability. Please note: Upon return of the Community Outreach Trailer an inspection of the condition of the trailer and all equipment will be done. If the trailer is not in the same condition as it was when borrowed, a clean up fee will be charged. The clean up fee will be determined based on the condition of the trailer and what is required to bring it back to usable condition. **In addition, a \$25.00 clean-up fee is charged per machine that is returned without being properly cleaned.**

Checks should be made payable to the Triad Church Network with “Community Outreach Trailer” or COT written in the memo portion of the check. **Mail check to: PO Box 11843, Winston-Salem, NC 27116**

Expense: There is a charge for supplies that you might use with the different machines. These costs will be invoiced along with any additional clean up or equipment replacement fees following the return of the trailer. Pickup and Return: The borrowing church will pick up the Community Outreach Trailer at a pre-arranged date and time. Final pickups must be no later than 1:00 pm (Monday – Thursday). All drivers that pull the Community Outreach Trailer must provide a valid driver’s license and proof of insurance on the vehicle that will pull the trailer and must sign a Driver Information form. The driver that returns the trailer must agree to return the Community Outreach Trailer by the date and time set by the Triad Church Network staff and must agree to contact Triad Church Network in the case of a problem or delay. Returning the trailer later than the set date and time may hinder the ministry of another church. ***A fee may be accessed when the trailer is returned later than the set date and time.***

The person's vehicle pulling the Community Outreach Trailer must be capable of towing with a required **2 inch ball**. The Community Outreach Trailer is not a trailer that can be "worked from" like a concession stand. It is used to haul and store the contents. **The towing vehicle must have the brake light hook-up for the trailer** since it is a closed trailer. Note: Triad Church Network does not provide a converter attachment for the trailer hookup.

The Community Outreach Trailer remains the property of the Triad Church Network at all times and is available to actively involved churches for church sponsored events. The Community Outreach Trailer is not available for personal use.

The church agrees to pay all charges for repair and/or replacement of the borrowed equipment due to damages to the equipment while in its possession and will immediately relay information on damages to the network upon the return of the Community Outreach Trailer.

- *I agree to supervise the Community Outreach Trailer, its various components, and the use of the components at all times while the Community Outreach Trailer is in our possession. Directions for use and safety rules will be provided and explained, which I agree to follow and utilize at all times during the operation and use of all equipment.*
- *I understand and acknowledge that the activity to be engaged in through our use of the Community Outreach Trailer and its components brings both known and unanticipated risks to me, the operators, volunteers, and participants. Those risks include, but are not limited to falling, slipping, crashing, colliding, cuts, burns, etc. and could result in injury, illness, emotional distress, death, and/or property damage to myself, operators, volunteers, or our participants. I agree that Triad Church Network takes no liability or responsibility for any such risks, complications, injury or other that may result from use of its Community Outreach Trailer.*
